Thanda Oo

Seoul, South Korea, +82-10-3447-7584, thandaoo.9999@gmail.com

Profile

Front-end web developer with 2+ years of experience in ReactJs. Dedicated to bringing both technical and visual aspects of digital products to life. Enjoys brainstorming with a team to develop creative solutions to complex design and development challenges. In my free time, you can find me exploring the web development trends, and occasionally indulging in a little Netflix and CSS.
